Dates

CAMP

Saturday 23rd
July to Saturday
30th July 2011

HOSPITALI- TY

Saturday 30th
July to Saturday
6th August 2011

Information

Booklet

You will all be given a booklet by your Section Leader (when you bring your kit to the HQ on Thursday 21st July) containing the site details, all the contact details you may need and the programme for the two weeks.

Information

This circular is to keep you all informed of our plans so far . We have approximately 90 Guides, Scouts, Cubs and Explorers plus leaders attending the camp and approximately 75 of our Dutch friends coming to join us. We can now confirm the total cost of camp. This will be £170.00 per child, leaving the final payment at £45.00 which will be due by June 27th.

Parents' Meeting

At our meeting this evening we will give you more information about the site, how we will get there, (on Saturday 23rd July), some of the activities your children will experience during their week at Ratlingate - and the arrangements for our return on Saturday 30th July.

We will give a short break-down on how we have arrived at the final cost of the camp and advice on pocket money you may want to provide for your child.

We will briefly advise on the Health & Welfare information you will need

to provide to your child's Section Leader before they will be allowed to attend the camp

Hospitality

We are still short of accommodation for Dutch Scouts so any additional places can be notified this evening.

Parents who have offered hospitality will need a CRB check, so we will be contacting you in the near future to arrange this.

Ilkley Week

We are arranging excursions and activities for our Dutch visitors, some of which are open to our own children, you can book place on the trip to Lightwater Valley on Monday 1st August at a cost of £25 for the day including transport & entrance fee.

Please complete the return slip below & return it to Nicola Carter via your Section Leader with the payment for the trip asap so we can make the bookings.
